

## EASTER GREETINGS

(Dated 20<sup>th</sup> April 2014)

**Hearty Easter Greetings to all the Azhikkakathu family fraternity.**

The Easter day reminds us of God's great scheme of redemption for all humanity manifested in the crucifixion and the resurrection of our Lord and Saviour Jesus Christ. It is our 'calm assurance to face uncertain days'. We must be able to be reassured of this constant Companion with us in our everyday life. And this reassurance should help us navigate safely through everyday situations.

If we silently scroll through our last one year, we can count the blessings this resurrected Lord has given us through out. There have been situations which could have gone worse and out of control but the Lord did not allow it.

Problems were there but He gave us strength to face them. There were occasions we had moved away from Him but by His grace we always have turned back to Him. We strive to be humble before Him and to love everyone as He desires.

As a family we are blessed with a lineage of ancestors who were God fearing and faithful. We have to carry forward this faith more meaningfully. Remember the word of God that He would bless the future generations also because of the faith of the present generation. It could be the reverse also.

We have to be steadfast in our faithfulness and I wish this be our Easter resolution. Let us all continue to be

loving and caring in all humility.

**May the joy of Easter continue to remain with us ,  
and may the Good Lord Bless us and keep us all as a  
family !**
